[No Led Zeppelin, But Lez Zeppelin At Bonnaroo '08](#)

Posted on February 6th, 2008 by Matthew

I wonder what [Bonnaroo](#)'s people were thinking when they couldn't get Led Zeppelin to play. 'Well, hmm, they just aren't budging with our multi-bazillion dollar offer? Bring in the lesbian version pronto!' Actually, on a sidenote, I don't think any of the girls in **Lez Zeppelin** are in fact lesbians. I also love how some editor at the AP, [who probably didn't have his late night coffee intake at full capacity, saw the Lez and screamed Led!](#)

No big shocker among the headlining acts **Pearl Jam**, **Metallica** and **Kanye West**, but some of LNWF's favorite bands are there, such as **Against Me!**, **Battles**, **Minus The Bear** and **Mastodon**.

Check out the rest of the lineup after the jump.

Pearl Jam
 Metallica
 Jack Johnson
 Kanye West
 Robert Plant And Alison Krauss
 Phil Lesh And Friends
 My Morning Jacket
 The Allman Brothers Band

The Raconteurs
Willie Nelson
